

Amendments to the Specification:

Please replace paragraph [0084] with the following paragraph:

[0084] The device may be provided with a hinged ~~mirror 60~~ mirror 60, or 35, having a reflecting surface that faces the casing 11 when the mirror is in a folded-down position, as shown in ~~FIG. 1~~ Figs. 1 and 4, respectively. In use, the user can cause the ~~mirror 60~~ mirror 60, 35 to turn through one-fourth of a turn and make use of the mirror to observe the makeup as the makeup is being applied by the spray device 1.
